

TENGU SAKE 天狗

BULLET FROM THE BLUE

We took one of our favourite cocktails - the Silver Bullet - applied Okinawa Gin and were amazed at the levels of complexity from such a simple, three-ingredient drink. The Okinawa shines through the Kummel and creates layer upon layer of flavour. One for the most jaded of cocktail geeks.

Ingredients

50ml Okinawa Gin

25ml Kummel

15ml lemon

Method

Add all ingredients to a Boston shaker. Shake hard then double strain into a chilled Cocktail glass. Garnish with a strip of lemon zest.
