

TENGU SAKE 天狗

## CHERRY ORCHID

A twist on the classic Cherry Blossom cocktail. We've dialled down the sweetness to allow the Wa to shine. The sake and hibiscus add depth and tartness to this lovely springtime cocktail.

### Ingredients

40ml Wa Gin

10ml lemon juice

15ml Junmai Sake

10ml Cherry Heering

10ml hibiscus syrup

(For the hibiscus syrup: take 2 grams of dried hibiscus and add 100ml of boiling water. Leave for 5 minutes then strain. Stir in 100 grams of sugar)

### Method

Add all ingredients to a shaker. Shake well then double-strain into a coupe glass. Garnish with a Maraschino cherry.
